SPONSORSHIP OPPORTUNITY

Honoring the Memory of Roy Klein

It's been 10 years! The Kent County branch of the Cancer Support Community, formerly The Wellness Community, opened its doors in 2002. Since then, we have been honored to be able to provide programs of education, support, and hope free of charge to people in Kent County touched by cancer. This year, on April 15, 2012 we will be celebrating our ten year anniversary with a brunch taking place at the Sheraton Dover Hotel honoring the memory of Roy Klein who was so paramount in getting us where we are today. We will also be honoring an influential member of the medical community in addition to a current participant of the Cancer Support Community.

Economic times are tough, but so is a diagnosis of cancer. Please help us continue to open our doors and our hearts to people in need.
