The Cancer Support Community Delaware has facilities in New Castle, Kent and Sussex counties. As part of a national nonprofit organization, TCSCD provides support, education and hope to people with cancer and their loved ones.

Through participation in professionally led support groups, educational workshops and mind/body classes, people affected by cancer learn vital skills that enable them to regain control, reduce isolation and restore hope regardless of the stage of the disease.

At The Cancer Support Community Delaware, all programs are free of charge. More information about The Cancer Support Community is available on the website at www.cancersupportdelaware.org.

the **DICKIE**
DISABATINO
Golf Classic

Monday, July 16
Bidermann
Golf Course

Remembering “Dickie”

*The Dickie DiSabatino Golf Classic is held each year to provide a day of golf, fellowship and fun to honor the memory of Dickie DiSabatino, founding board member of The Cancer Support Community. This fundraiser helps us raise money for The Cancer Support Community so that we can provide emotional support, stress management programs and educational workshops **free of charge** for people with cancer and their loved ones.*

Dickie, with his marvelous sense of humor and his ability “to make it happen” was very instrumental in helping us transition from a vision to a reality. He was able to muster his friends when they were needed to help The Cancer Support Community open in Delaware.

*We want to thank all of you for participating in and/or supporting “The Dickie.” Thanks to your generosity, **together** we are making a difference in the lives of people with cancer*
