## Living Our Mission

The Wellness Community - Delaware, an affiliate of the Cancer Support Community is part of an international nonprofit organization that provides support, education and hope to people with cancer and their loved ones. Through participation in professionally led support groups, educational workshops and mind/body classes, people affected by cancer learn vital skills that enable them to regain control, reduce isolation and restore hope regardless of the stage of disease.

At The Wellness Community - Delaware, all programs are offered free of charge.

**CANCER SUPPORT.  
EDUCATION. HOPE**

Join us on Monday, May 24, 2010 at the exclusive and challenging course at Rehoboth Beach Country Club for the 2nd Annual Walt Wagamon Golf Classic to benefit The Wellness Community-Delaware (TWC-DE) in Sussex County. While raising awareness about cancer, this event will also celebrate the life of a true Sussex Countian who lost his valiant battle with cancer in 2007. Walt was intensely involved in numerous professional, community and civic associations but, many would say that Walt's passion for life was complete with his family and a good round of golf!

Your participation in this charitable tournament will allow us to provide our free emotional and psychological services in Sussex County to people coping with cancer and their families.
